Give to replace the
HVAC system

The Building Improvement Fund (formerly Capital Improvement Fund) is now listed on the Adventist Giving site for those who donate funds online.

To give funds in a tithe envelope, please write Building Improvement or Building Fund. These funds will go towards paying for the HVAC systems that need replacing. Any amount will help but if families could commit to a set amount each month, it would help us plan how to make the loan payment that we will have to apply for.
