Give to replace the
HVAC system

The Building Improvement Fund (formerly Capital Improvement Fund) is now listed on the Adventist Giving site for those who donate funds online.

To give funds in a tithe envelope, please write Building Improvement or Building Fund. These funds will go towards paying for the HVAC systems that need replacing. Any amount will help but if families could commit to a set amount each month, it would help us plan how to make the loan payment that we will have to apply for.

Journey to Bethlehem is December 4-6, 2025. Tickets will be available on November 13. Look to reserve your tickets on our website, j2bwenatchee.org. We are looking for a few more cast members for the village and guides. If you are interested in participating, please text or call Jenni McCullough at (509) 741-0329. Construction starts November 2. We need everyone's help! Please plan on being there from 9 am-1 pm. Work bees will continue every Sunday until the performance.
