Give to replace the
HVAC system

The **Building Improvement Fund** (formerly Capital Improvement Fund) is now listed on the Adventist Giving site for those who donate funds online. Access "Giving" on our East Wenatchee Adventist Church website.

To give funds in a tithe envelope, please write Building Improvement or Building Fund.

The **Building Improvement Fund** donations have reached **\$94,000!**

The total cost of the project is \$113,790 before loan interest is added. The installers have almost finished installing the South Wing HVAC.

An update on the South Wing installation, we have had to hire an electrician to make the final connections and inspections. This will add about \$3,000 expense to the South Wing installation.

We rejoice, the heat is on!

During Refreshment time at the Saturday night Seminars, please encourage visitors to go through the food line first. If you have brought a visitor(s), then do go through line with them. We thank the ladies of our church for preparing the food for these events.

Happy
Sabbath!
